21	彩森円盤犬倶楽部 (Japan)	彩森円盤犬倶楽部	5	5	
21	Austin Air Dogs	AAD		5	5

## Club Standings

Many competitors have affiliations with clubs or teams consisting of several dog/thrower pairs. Club Standings are based on the World Cup Points earned by club members in the Open Division of Major Tournaments. Each competitor that enters the Open Division at a Major Tournament will automatically earn 5 participation points for their club\* at their first UFO Major of the season, and will automatically earn 10 participation points for their club at each subsequent UFO Major of the season. Additionally, each club member will also have the opportunity to earn additional merit points for their club based on their overall placing at the tournament. Dog/Thrower pairs may only contribute points toward the standing of one club or team in the World Cup Series during any given season. Although only a competitor's top two placings at Majors count toward their final individual standing (i.e. WCS Overall), there is no limit on the number of participation points a team can earn for his or her club. This provision is meant to encourage competitors to travel to other Majors in order to earn points toward the World Cup Standing of their club or team. Club points will be awarded as follows:

Merit Points	
Place	Points
1	10
2	9
3	8
4	7
5	6
6	5
7	4
8	3
9	2
10	1
11+	0

Participation Points	
Event #	Points
1st attended	5
2nd attended	10
3rd attended	10
4th attended	10
5th attended	10
6th attended	10
7th attended	10

\* Each canine/thrower team may indicate affiliation with one club each season. Club affiliation is declared through the UFO registration form obtained at any UFO Major event. Once declared and Participation points awarded, club affiliation may not be changed throughout the balance of the season. Club affiliation can not be made and applied retroactively. It is the responsibility of each team to clearly designate its club affiliation on the UFO Major registration form.
