Well, another good year at Torrance is in the books, and I believe everyone had a good day. It was expected to be long and hot, but we actually got off to a start early as sign up went very quick and all the great help we had made the day run smooth. I want to thank Veronica (parks and rec. director) for help with making all the lists for the day, and Valerie (parks and rec. volunteer) for help with the entire day. She got quite a bit of sun helping with set-up, break-down and line calls for the circle. We had great judges as usual, Jeff Lundberg, Kevin Lundberg and Eric Graewingholt. Also, thank you to my Wife Kathy and Eric's wife Dana for all the paper work, and keeping things running smooth.

The day started off with a bang, with the usual freeflight show that the pro's in So Cal always put on, and then when we got to the Sport Division, What a surprise. Be sure to note that # 2 was out for her very first freeflight contest, and # 3 was her teacher. (Sorry David, just couldn't resist)... After that, we got into the Circle, and I have to say, I think every one had a good time with it. We had some new people, and some young dogs and I think we have hooked them all.... When we got to the Speed Disc, there was a bit of confusion, but we worked it out and even though the wind was a major factor, we did have several very good times. Benny Wong and KD did the best of the day with 18.28 sec for 9.5 points.

I want to thank a new product sponsor we have, Heartland Dog Treats which is a jerky type of treat, for their support. We gave out samples to everyone, and had 1 and 2 lb. packs which we used as prizes. Trophies went out to 1st 2nd and 3rd for Open, Sport, Intermediate/novice and Junior went only to 1st and 2nd as there were only the two of them. Prizes went to 1st through 5th, and we had three specials that went out as well. Vincent Comon with Piper and Eldon McIntire with Eug Bull received a disc and bag of treats for Best Effort of the day. We also gave a bag which was one of several items donated to the K-9 Air corps by Glenn Hatrup of Phoenix Az (Past Disc Dog Player retired) to recycle them back into the sport to a very deserving player and his pup. Chris Adams and Jack Have been in the sport for about 6 years, and 3 years ago Chris developed a very debilitating illness which put him in a wheel chair. Last year, he was back throwing from the chair, but this year he is beginning to walk again, and we are very happy to see him return. Jack is 10 now, but once he is done with disc, Chris says he will be getting a pup to continue. Right on Chris, Welcome Back....

We had the pleasure of having a pro photographer on hand, and if you would like to see some shots from Torrance. Photography by Jeff Tsuno <http://www.dotphoto.com/go.asp?l=action%2Dshots&AID=3699853&Pres=Y>
