Windy days, fun days, did I mention its was windy all weekend. Well, I think everyone was blown away in a different sort of way. The inaugural Desert Disc Funktion took the FDDO back to its roots complete with phans, phriends and phaddies. The Phoenix Area Disc Dogs "Phaddies" hosted this event and showed all of us some disc doggin lifestyle. I have to start with recognizing the awesome work that Brian & Melinda Heuett put into making this event happen. Thank you for organizing the many details that contributed to the entire experience felt by everyone there. This event delivered big winds and some of the most exciting disc dog action seen on the courses. We also saw the creation of a new tradition of awarding the "dawg tag" to individual and overall winners. Speaking of winners, a big Professional Division congratulations goes to Todd Murnan and Big Air Bella for sweeping up 4 of the 5 dawg tags over the weekend in their first ever FDDO! Todd and Bella powered their way to a 9 point lead overall by showing off some solid disc dog throwing and catching ability. They put together an incredible speed disc round, completing the course in 18.06 seconds in very tough conditions. Also Todd & Bella rocked the crowed in freestyle with big air and bold moves while dressed in black. Johnny Cash would have been proud. But, one man and dog stood in the way of a "Murnan Sweep" and that was Mike Miller & RT, who edged out the pro competition on the distance pyramid by a few feet. Other notable Pro action was Jeff Hill taking 2nd & 3rd overall with Tooney and Enzo, This trio also wowed the crowds with wonderfully entertaining and technical freestyle routines. Jeff and Tooney put up the second fastest time in speed disc with a 39.68. The obstacle course proved to be quite a challenge in the wind with 26 points being best score out of 40 possible. Speed disc also proved to be brutal with only 6 teams earning time points. The Advanced division saw five different dawg tag winners. Congratulations to Advanced Division Champions Mavis Enders and Buckroo. This team kept their nerves together and stayed consistent on obstacle course and distance pyramid two of the the more difficult events of the weekend. The rest of our advanced division tag winners were Jim Conti & Magic, who took the tag in obstacle course consistently scoring on all stations except # 6. David St Clair & Sketch going deep every throw on the distance pyramid. Jason Walker & Lucy were the only team in advanced to put up time points mustering a 49.34. Finally, Pete Oliphant & Ringo showed some great moves and big air in the freestyle. Congratulations to all the teams for their camaraderie and sportsmanship.

The weekend began on Friday afternoon with teams arriving to check in and stretch out at the field. We were located at the Peoria Sports Complex in the main stadium. The grass was golf course perfect. The check in mixer at the La Quinta Inn hit the spot with finger foods and a few beverages. Getting the competitors ready to choose from one of the many restaurants within walking distance. On Saturday night the yappy hour and 1st day awards ceremony moved to the Salty Senorita and yes our dogs were allowed. Drink tickets were provided for all competitors and a few appetizers to get it started. On Sunday the competitors shared the field with Pet-A-Palooza a dog friendly event featuring dogs sports, cool vendors and bands. Another surprise for the competitors was breakfast and lunch being served in the hospitality tent for two days!! A big doggone thanks to all the PHADD and family members who pitched in to create a wonderful time for all. Finally to Discovering the World, Hyperflite, and Kong who truly support this event with product and good will.

The Match Play Championship was quite a spectacle and there were some very exciting matches. 27 teams bought in at \$5 each creating a pot of \$135 winner takes all. Congratulations to Darrel Earle & Nitro Nana who were not to be denied this year playing all the way to the final round against Joel Zucker & Bailey.

Advance Division competitors Pete Oliphant & Ringo began in round 1 with a sudden death victory over Mike Rosell & Cash, then made it all the way to the final 4 where they were defeated by seasoned FDDO Pro's Joel & Bailey. Interestingly, five of the elite 8 teams were first time FDDO competitors! Another great match that ended in a sudden death playoff was

PHADD Desert Disc Funktion 09

between Mike Rosell & Tango vs Matt Miering & Buck in the end experience paid off for Matt & Buck until he matched up with Darrel & Nana in the final 4 semi's. It was awesome to see the competitors displaying positive sportsmanship by shaking hands and congratulating each other after the matches were over.
