

Hi all... I'm speaking for both Chris and I and want to thank all the competitors for your support throughout the day. Your patience was truly appreciated. This event was the first Muttley Crew event and we do need to gain experience and iron plenty of kinks out.

It's been years since the "FDDO" has been in Southern California and we just wanted to offer a fun and different event to those that have never experienced the Flying Disc Dog Open (in an abbreviated format). We also wanted to give the D2 crew a day off.

We have many people to thank because we would have been in deep doo-doo without the help of everybody that pitched in. Muttley Crew staff, Reamy (long time friend of the Cabral family) and her husband and kids, my son Jimmy who helped with the field and tear down, Chancel who came up from San Diego to help. I'm trying to recall (my head was stuck in the computer all day) all the D2 members: Jeff Hill and Gerri Marin who scored the obstacle course, Luis Marin helped with judging. Val Walsh and CJ Fithian who just couldn't do enough under the tents. Todd & Matt who helped with the field layout. And, I can't forget those that offered to help if we needed any, Becky and Stacy and others. I made one of a kind FDDO caps to pass out to the volunteers and if you didn't get one, let me know.

The sponsors were great...

Mary Kay Cosmetics for donating the award bags and competitor bags. Reamy is a consultant/manager and if any of you ladies and men (they have manly products) need their great products check out her Mary Kay website.

H&H Photography who put the 1st place overall winners on a Disc as a donation. www.hhfoto.net 949-735-3923. They will be putting a ton of pics on their website so take a look if you didn't get a chance to stop by their area.

EZ Dog who donated the "mega" collars to the 1st place overall winners. You will find a 15% discount card in the competitor bags for their products. www.ezydog.com

Chris made all the equipment on his dime and donated the discs.

It's Yours (that would be me) donated the bandannas.

Breeder's Choice for the dog food and samples.

I'm going by memory alone here and I'll thank more as I remember....

Now, for the placements. We awarded prizes for 1st, 2nd, 3rd in each event and 1st place over all. There were some ties and the staff determined the criteria for the tie breaker...
