Ties for 1st, 2nd, or 3rd Place - Combined Divisions

Ties are broken using the following criteria:

- 1) highest combined Catch Ratio from both Freestyle Rounds,
- 2) highest Round 1 Throw & Catch score.

If the above criteria are not sufficient to break the tie, then the tied competitors will break the tie in a Throw & Catch Shootout. A coin toss determines which team goes first, and each team will be allowed one throw in each round of the shootout. The team that scores higher in one round wins the shootout and is awarded the higher finish.

Shootout rounds continue until one team outscores the other. In each round, the starting order should change. Competitors will be allowed to rest their dogs as necessary.
